JACK BERMAN
PRIMARY EXAMINER

The following is an examiner's statement of reasons for allowance: The prior art does not teach how to make or use an electron microscopy calibration standard comprising a single substrate having two layers and a plurality of differing sized island structures with varying lattice parameters comprising a material of a transformation layer over the second layer and a third layer over portions of the second layer and entirely covering each of the island structures wherein the first layer and each of the island structures have varying fringe spacings across the substrate corresponding to a range of magnification settings.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jack I. Berman whose telephone number is (571) 272-2468. The examiner can normally be reached on M-F (8:30-6:00) with every second Friday off.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, John R. Lee can be reached on (571) 272-2477. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
